Note 1: "Occupier" here means the person who is entitled to possession of the site by virtue of an estate or interest therein, e.g. as owner or tenant. Where the site extends to not more than 400 square yards and is let with a view to its use as a caravan site the application should be made by the person who would be entitled to possession of the site but for the tenancy.

Note 2: All or any of the particulars under this head may be provided in writing if the local authority so approve, and therefore a plan may not be required.

Note 3: In the case of existing sites the plan should show the facilities already available as well as any proposals for improvement.

Note 4: A site licence cannot be issued until planning permission has been granted. If the applicant has not already been obtained planning permission he may still submit an application for a site licence but a licence cannot be issued until the planning permission has been granted.
